

## **L. PAUL – Catalunya, ES**

### **Nen & the Flying Fishes – 2021**

#### **Bio:**

From his debut EP *Outis* (Daruma Records, 2017), released just right after hitting the 20-year-old mark, L. Paul has been grinding in the Catalan and European underground with his bittersweet pop. Thanks to his independent spirit, he has explored different sonic textures in a few European cities and has been supported from musicians with international experience. His last work is *Nen & The Flying Fishes* (collectic, 2021), a mixtape where the lyricist producer dabbles in hyperpop and the hardest hip-hop, though still maintaining the ambient aesthetic he is known for.

**Live Crew Members:** 3

**Show:** Nen & the Flying Fishes presents L. Paul at his most electronic. Through synths, a computer and a mic the songwriter shows a new vision of his body and performance. The producer and visual artist Felipe Guerrero gives birth to the concept of the fishes, while Pau Esteve performs mixing and sound design live. The aesthetic intention is authentically psychedelic through a fresh approach.
